CLASSICAL AND SEMI-CLASSICAL

With a lushness of strings, a brilliance of brass against a deep, full dimension background, here's music with an inherent vitality and substance. From light gay creations to the more complex masterpieces of past and present, each tape symbolizes the efforts of the world's leading artists and conductors... backed by technical development in advanced sound concepts.

DELUXE TWIN-PACK

Another innovation for your convenience consisting of two separate reels packaged as one (usually a large or double thick type box).
